PROFILE SUMMARY

Enthusiastic and dedicated Computer Science student with strong knowledge of programming, problem-solving, and web development. Passionate about using technology to build innovative and user-friendly solutions. Seeking an entry-level opportunity to apply my skills, gain industry experience, and contribute to meaningful projects.

EDUCATION

BTECH(Computer Science & Engineering)	2023-2027
Gayatri Vidya Parishad College of Engineering(A) (CGPA-8.2)	Vizag,India
BIE-AP(MPC)	2021-2023
VIT Junior College(Percentage-98%)	Narasaraopet,India
BSE-AP	2021
Geethanjali High School(Percentage-93%)	East Gangavaram

SKILLS

- Programming: Python, Javascript
- MERN Stack: MongoDB, Express.js ,React.js and Node.js
- Tools and Technologies: Github, VS Code, Render
- Core Concepts: DSA Basics , MySQL
- Soft Skills: Communication, Active listening , Problem Solving and Self-Motivated, Adaptability

PROJECTS

Weather Report Project

- Completed an internship in Google Cloud Computing Foundations through EduSkills, gaining hands-on exposure to cloud technologies.
- Developed a Weather Report Project using BigQuery, focusing on data analysis and real-time insights.
- Strengthened skills in cloud computing, SQL, and building data-driven web-based solutions.

CodeGarage – Academic Resource & Programming Learning Platform

- Built an academic website providing semester-wise PDFs, lab manuals, and C, C++, DSA programs .
- Designed a clean, user-friendly interface for easy access to learning resources.
- Deployed live using a custom domain: codegarage.co.in

CERTIFICATIONS

- **Infosys Springboard:** Front End Web Developer
- **Google Cloud:** "Google Cloud Computing Foundations Certificate" on Google Cloud Skills Boost
- **AWS:** AWS Cloud Computing (2024-25) Workshop Certificate
- **Udemy:** The Complete Python Developer

ACTIVITIES

- Participated in Web Development Workshops conducted by college technical clubs
- Participated in Coding Practice Sessions to improve problem-solving skill
- Participated in Online Technical Training Programs on Full Stack Development
